

2006 Official Results

The 2006 Iowa Senior Olympics attracted 700 participants from over 123 different cities around the State of Iowa and 17 additional states across the country. Men and women age 50+ competed in more than 50 events.

Gold, Silver and Bronze medals were awarded to winners from Iowa as well as out-of-state athletes who placed in the top three in their event. Out-of-state athletes are marked in the results with a (#) before their rank. Athletes are awarded based on rank and age as well as residence.
