FORMS/WEAPONS FORMS

We all perform the forms in different ways. Competitors will be judged on balance, stances, power, beauty and grace. Judges will have the first 3 competitors perform and then call them back up for scoring before moving on to establish a score. This is your time to shine! You may do any form you choose, however flips and extra techniques will not be given extra consideration. If the ring has 5 judges, the highest and lowest scores will not be a factor. In the event of a tie, those scores will be added back in. If there is still a tie, there will be a run off with a show of hands at the end. The average score for competitors will be set at 7.5. A show of hands will be the assigned way to show the score by the judges. The winner will have the highest points out of the whole group! In the event of a tie both competitors will run their form again and a show of hands will be used to determine the winner.

POINT SPARRING

The sparring event will use the standard Midwest Martial Arts Group point sparring rules. The point areas will be the sides, top, and back of the head. Nothing to the face area! The torso is a target area for striking as well to the sides of the ribs, stomach, chest, but not to the throat or the sides of the throat, and no strikes below the belt. One point will be awarded for any hand technique to the torso area. One point will be awarded for any kick to the torso. Two points will be awarded for a kick to the helmet area. No kicking to the face. No Punching to the face. The Competitor scoring the most points at the end of two minutes or 90 seconds (for children), will be declared the winner. **SAFETY IS KEY**, if a competitor is injured and blood is drawn the match will stop and the center judge will make a call with the corners to decide on a disqualification or warning on the attacker. Warnings and point loss may occur as well for other infractions such as continuing to kick below the belt or to the back, a kick or punch that hits the face. Absolutely no hands to the head area & no fakes. Tournament director has full authority and will make final calls and disqualify. Sparring protector vest will be available on site, if you have your own please bring it.

Common occurrences that lead to disqualification in sparring. Lack of control, disrespect, intentional injury, heavy consistent contact, 3 full point loss infractions for contact to non-point areas. Kicking to the back continuously, and poor sportsmanship.
