

2023 Brian Pearson Memorial Scholarship Application Requirements

Supported by: Orr family, Kenyon family & Skinner family

In honor of former Iowa State University basketball player Brian Pearson, who died of brain cancer in the fall of 1997, the Iowa Games began awarding the Brian Pearson Memorial Scholarship in 1998.

Pearson knew the meaning of hard work and recognized the rewards of commitment. He valued the relationships he had with his family, friends, neighbors, and teammates. People who were fortunate enough to know Brian use words like integrity, honesty, and courtesy to describe his life.

The intent of the Brian Pearson Memorial Scholarship is to recognize two outstanding student-athletes involved with the Iowa Games (one male and one female), and through that process, Brian Pearson.
